# Hello!

Welcome to Sparkles Home

Sparkles Home is excited to celebrate 10 years of creating beautiful glam home decor in 2024. Over the last decade, Sparkles has brought unique designs to the home market with lines such as our signature Luminous Collection and best-selling Montaigne Collection. New for 2024, we're excited to introduce an inspired line of Shaped Pillows, offering whimsical designs for the whole year.

Sparkles Home offers a wide selection of bling home decor and accessories with a full range of coordinating pieces. Inspiration for our collections comes from classic luxe styles reinterpreted for a modern feel. Patterns such as Gatsby and Lattice recall decadent old Hollywood glamour, adding luxury and timelessness to any home. Symmetrical and geometric patterns nod to classic Art Deco and Neoclassical motifs with eye-catching style. With a broad range of colors from blush to black and a variety of rhinestone options, Sparkles Home elevates any decor.

In 2022, Sparkles expanded with the launch of Sparkles Studio, offering a line of unique rhinestone apparel and footwear to showcase a fashionable modern flair.

Sparkles Studio offers bomber jackets, high heels and sneakers that take bling to a new level. Our rhinestone apparel adds the quintessential finishing touch for fashion that turns heads in any crowd.

Check our websites for the latest product releases and updates. Thank you for supporting a small business. We hope you love our sparkle!
